

GT ONLINE CAMP BEHAVIOUR CONTRACT

27 November – 1 December 2023

Dear Parents/Carers and Students,

To ensure the smooth running of the camp and to protect the health and safety of all participants, a set of conditions have been established that all students must follow.

In giving consent to your child attending camp, you are fully aware of the responsibilities and expectations of the GT Online Camp and agree to the stated conditions of the Camp Contract from Monday 27/11/23 until Friday 1/12/23.

Please discuss these conditions with your child to be sure they have a clear understanding of acceptable behaviours.

- I will be prepared to participate in all activities programmed for me and strive to be part of the group
- I will advise supervising staff and seek assistance immediately if I am unwell, injured or have any concerns in relation to my personal safety
- I will look after my own belongings, making sure everything is clearly marked with my name
- I will keep my dormitory area neat and tidy, and respect the space of the others in the room
- I will follow the bedtime and lights out rules and be respectful of the need for a quiet environment for others
- I will at no point enter any dormitory other than my own, unless given permission by a supervising adult
- When on-site, I will stay within the designated communal areas of the campsite
- I will place all litter into bags or bins, protecting the environment and cleaning up after myself
- I will hand in my mobile phone (labelled with my name) on arrival at camp and agree to the condition of having 1 hour a day access to my phone. Use of electronic devices for the purpose of study will be supervised
- I will report unidentified strangers or inappropriate contact by any person to a supervising adult immediately
- I will not possess or consume alcohol or take cigarettes or non-prescribed drugs
- I will assist staff entry into dormitory rooms whenever requested
- If I need assistance and require entry to an adult's room, I will knock, identify myself and await a response

It is the decision of the Program Coordinator to withdraw a child from participating in this camp prior to departure if consistent poor behaviour, attitude or attendance have negatively impacted their Good Standing in the program.

It is the decision of the GT Online Program Coordinator to send home any students breaking the rules of this contract. In a situation where a student has breached this contract, parents or a nominated representative, may be requested to collect the child from camp.
